The Bay Area Go Players Association is a non-profit organization created to serve the Go community by sponsoring and publicizing tournaments, lessons, and other events in Northern California.

The San Francisco Bay Area is home to over a dozen Go clubs, and more than a dozen Go tournaments take place here each year. Most of the tournaments that we organize have very low entry fees—just \$5 for people under 23 years of age and \$10 for everyone else.

Visit our website at [www.bayareago.org](http://www.bayareago.org) to check out the following valuable resources:

- **Events calendar** – An up to date listing of upcoming tournaments, lessons, and pro player appearances.
- **Club listing** – A list of Go clubs that meet regularly, including meeting places/times and contact information
- **Email announcements list** – Enter your name and email address in order to join our email announcements list. We send one to two emails per month with updates on upcoming Go events in the area. This is an excellent way to keep informed. We will not share your information with anyone.

On our website you will also find a form where you may contact Roger Schrag and Steve Burrall, the organizers of Bay Area Go Players Association. Update us about your club, tell us about a Go event you are putting together, make a donation, or ask us a question.

*We look forward to hearing from you and seeing you  
at a future Go event!*
